

A Maths Mastery approach is used in all year groups at Russell Street School.

**Reception** children learn using Power Maths (Pearson Education)

**Year 1 and 2** children learn using Maths No Problem. SMSG also use Maths No Problem so transition is seamless between year 2 and years 3/4/5/6.

## Home Learning

If you wish to support your child's maths development at home, White Rose Maths have a wide range of free lessons to watch and resources to use. These lessons follow both of the above schemes used in school and are available from Reception through to Year 9.
