Dear Parents

Please find below our next set of challenges. Some Maths work will link up with the Maths 'No Problem' text books and other Maths activities can be either printed off or copied into the Maths text books. Don't forget that you can also complete the 2do activity which is set up on Purple Mash. If you have any questions then you can contact a member of the KS1 teaching team by emailing

[Y1@russell-street-school.co.uk](mailto:Y1@russell-street-school.co.uk) or

[Y2@russell-street-school.co.uk](mailto:Y2@russell-street-school.co.uk)

We will be in touch with further updates and information when we receive it.

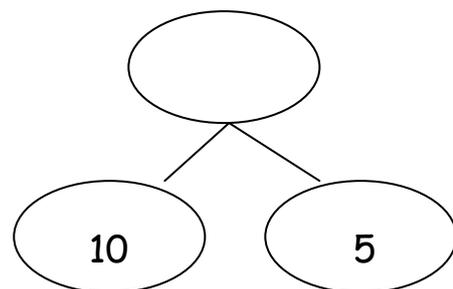

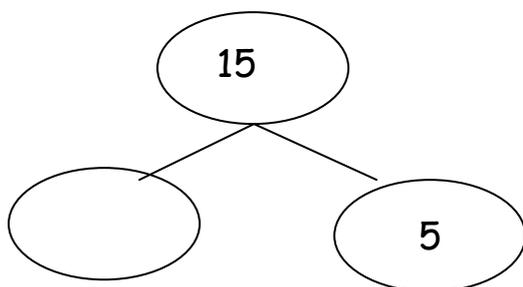

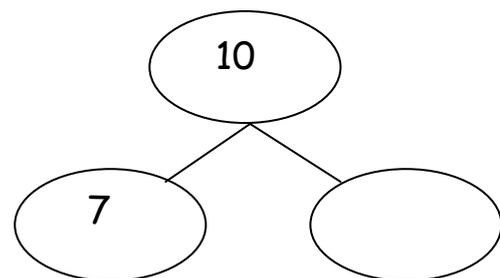

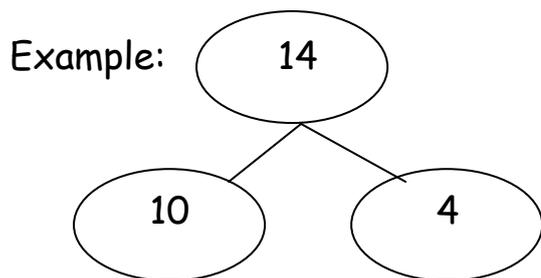

Thank you for your support at this unusual time.

3. Describe the man in full sentences. Remember to use adjectives to expand your sentence.
4. Imagine you are the man up the ladder cleaning the cloud; what do you think a job like that would be like? How would you feel climbing so high everyday? What would you see being so high?

### Phonics activity year 2

#### Read the letter and answer the questions.

Dear Jess,

I wanted to remind you that tomorrow is the launch of the book 'The Automatic Car' by the author Sam Little.

She has told me she has been working on the book since last August. It has taken her a long time to finish the book because she is exhausted from her last book tour. When you read the book you might find it a bit scary as it is set in a haunted car park with the main character called Paul who looks really gaunt and scary.

We are hoping the book launch will be fun and enjoyable for everyone. There will be home baked cakes and fruit available.

I really hope the audience give Sam a round of applause and it would be exciting if some people even asked for her autograph!

Looking forward to seeing you tomorrow,

Laura.

#### **Questions.**

1. Find and circle all the words in the text that contain an 'au' grapheme. How many words did you find?
2. What is the name of the book by Sam Little?
