Science

Sing 'Heads, Shoulder, Knees and Toes.

Talk about the different parts of the body.

- What do we use our eyes for?
- Which part of the body do we use to smell?
- What do we use to taste etc.

Whilst eating, discuss the various different tastes – Is it sweet? What does it taste like? Do you like the taste? Why?

When outside – What can you hear? What can you see?

Encourage describing words.

Discuss the different textures of things outside or around the house. How does it feel? Soft, hard, prickly etc.
