6. Fostering good relations
7. Equality considerations in decision-making
8. Equality objectives
9. Monitoring arrangements

1. Aims

Our school aims to meet its obligations under the public sector equality duty by having due regard to the need to:

- Eliminate discrimination and other conduct that is prohibited by the Equality Act 2010
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it
- Foster good relations across all characteristics – between people who share a protected characteristic and people who do not share it

2. Legislation and guidance

This document meets the requirements under the following legislation:

- The Equality Act 2010, which introduced the public sector equality duty and protects people from discrimination
- The Equality Act 2010 (Specific Duties) Regulations 2011, which require schools to publish information to demonstrate how they are complying with the public sector equality duty and to publish equality objectives

This document is also based on Department for Education (DfE) guidance: The Equality Act 2010 and schools.

3. Roles and responsibilities

The governing board will:

- Ensure that the equality information and objectives as set out in this statement are published and communicated throughout the school, including to staff, pupils and parents, and that they are reviewed and updated at least once every four years
- Delegate responsibility for monitoring the achievement of the objectives on a daily basis to the headteacher

Equality will be overseen by the PTL committee of the governing board. This will involve:

- Monitoring the schools progress on Equalities Objectives.
- Ensuring that at least one member of the committee is familiar with all relevant legislation and the contents of this document
- Ensuring that at least one member of the committee attends appropriate equality and diversity training
- Report back to the full governing board regarding any issues

The headteacher will:

- Promote knowledge and understanding of the equality objectives amongst staff and pupils
- Monitor success in achieving the objectives and report back to governors
- Identify any staff training needs and deliver training as necessary.

The designated member of staff for equality will:

- Support the headteacher in promoting knowledge and understanding of the equality objectives amongst staff and pupils
- Attend PTL Committee meetings as appropriate
- Support the headteacher in identifying any staff training needs, and deliver training as necessary

All school staff are expected to have regard to this document and to work to achieve the objectives as set out in section 8.

4. Eliminating discrimination

The school is aware of its obligations under the Equality Act 2010 and complies with non-discrimination provisions.

Where relevant, our policies include reference to the importance of avoiding discrimination and other prohibited conduct.

The school has a designated member of staff for monitoring equality issues. They regularly liaise regarding any issues and make senior leaders and governors aware of these as appropriate.

5. Advancing equality of opportunity

As set out in the DfE guidance on the Equality Act, the school aims to advance equality of opportunity by:

- Removing or minimising disadvantages suffered by people which are connected to a particular characteristic they have (e.g. pupils with disabilities, or gay pupils who are being subjected to homophobic bullying)
- Taking steps to meet the particular needs of people who have a particular characteristic (e.g. enabling Muslim pupils to pray at prescribed times)
- Encouraging people who have a particular characteristic to participate fully in any activities (e.g. encouraging all pupils to be involved in the full range of school clubs)

In fulfilling this aspect of the duty, the school will:

- Publish attainment data each academic year showing how pupils with different characteristics are performing (for statistically significant groups)
- Analyse the above data to determine strengths and areas for improvement, implement actions in response and publish this information
- Make evidence available identifying improvements for specific groups (e.g. declines in incidents of homophobic or transphobic bullying)
- Publish further data about any issues associated with particular protected characteristics, identifying any issues which could affect our own pupils

6. Fostering good relations

The school aims to foster good relations between those who share a protected characteristic and those who do not share it by:

- Promoting tolerance, friendship and understanding across between people who share a protected characteristic and those who do not share it. This may involve teaching through all areas of curriculum, and in particular RE, citizenship and personal, social, health and economic (PSHE) education and Relationships and Sex Education (RSE).
- Holding assemblies dealing with relevant issues. Pupils will be encouraged to participate in such assemblies and we will also invite external speakers to contribute
- Working with our local community. This includes inviting leaders of local faith groups to speak at assemblies, and organising school trips and activities based around the local community
- Encouraging and implementing initiatives to deal with tensions between different groups of pupils within the school. All pupils are encouraged to participate in the school's activities, such as sports clubs. We also work with parents to promote knowledge and understanding of different cultures

7. Equality considerations in decision-making

The school ensures it has due regard to equality considerations whenever significant decisions are made.

The school always considers the impact of significant decisions on particular groups. For example, when a school trip or activity is being planned, the school considers whether the trip:

- Cuts across any religious holidays
- Is accessible to pupils with disabilities
- Has equivalent facilities for boys and girls

8. Equality objectives

Objective 1: To narrow the pupil premium gap in reading, writing and maths in all year groups.

Objective 2: To identify and narrow any achievement gaps between significant groups of pupils who share a protected characteristic and others.

Objective 3: To ensure our curriculum prepares learners for life in modern Britain by: equipping them to be responsible, respectful, active citizens who contribute positively to society; developing their understanding of fundamental British values; developing their understanding and appreciation of diversity; celebrating what we have in common and promoting respect for the different protected characteristics as defined in law.

Objective 4: To ensure that our approach to managing behaviour actively identifies and tackles discrimination leading to a reduction in incidents of discriminatory behaviour.

9. Monitoring arrangements

The governing board, along with the headteacher, will update the equality information we publish, described in sections 4-7 above, at least every year.

This document will be reviewed by the governing Board at least every 4 years.
