2. INTRODUCTION

Safeguarding is defined as protecting children from maltreatment, preventing impairment of health and/or development, ensuring that children grow up in the

provision of safe and effective care and taking action to enable all children to have the best life chances.

The purpose of the child protection policy is to:

- Inform staff, parents, volunteers and governors about the school's responsibilities for safeguarding children.
- Enable everyone to have a clear understanding of how these responsibilities should be carried out.

The child protection policy forms part of a suite of documents and policies that relate to the school's safeguarding responsibilities. It also recognises that a number of other school policies and procedures form part of the wider safeguarding and child welfare agenda and therefore the child protection policy should be read in conjunction with the policies listed below:

- Anti-bullying policy
- Attendance policy
- Pupil behaviour policy
- Physical intervention / Use of restraint policy
- E-safety and ICT / Online safety policy
- Photographic images of children
- Health and safety policy
- Risk Assessments
- Safer recruitment policies and practice
- Code of conduct for staff
- First aid policy
- Equality policy
- Allegations against staff
- Complaints policy
- Whistleblowing policy
- Medical Policy
- Intimate Care Policy

3. SAFEGUARDING POLICY STATEMENT, PRINCIPLES AND AIMS

Safeguarding statement

Safeguarding is everybody's business. Russell Street School has a moral and statutory responsibility to safeguard and promote the welfare of all pupils.

Russell Street School staff have a responsibility to provide a safe environment for children in which they can learn. All school staff will be vigilant to observe outward signs of abuse, changes in behaviour and failure to develop, through daily contact with children.

Staff at Russell Street School will receive appropriate and up to date safeguarding children training, to ensure they are aware of their role in the early recognition of the

indicators of abuse or neglect and of the appropriate procedures to follow. In addition all staff will receive safeguarding and child protection updates (via email, and staff meetings) as required, but at least annually, to provide them with relevant skills and knowledge to safeguard children effectively.

The Designated Safeguarding Lead will ensure that all temporary staff and volunteers are made aware of the school's safeguarding policies and procedures, including the child protection policy, staff code of conduct and behaviour policy.

The procedures contained in this policy are consistent with Milton Keynes Safeguarding Children Board (MKSCB) procedures and they apply to all staff, volunteers and governors.

Safeguarding policy principles

- The welfare of the child is paramount.
- All children, regardless of age, gender, ability, culture, race, language, religion or sexual identity, have equal rights to protection.
- All staff have an equal responsibility to act on any suspicion or disclosure that may suggest a child is at risk of harm.
- Pupils and staff involved in child protection issues will receive appropriate support.

Safeguarding policy aims

- To raise awareness among all Russell Street School staff of the need to safeguard all children and of their responsibilities in identifying and reporting abuse.
- To ensure mechanisms are in place to confirm that all Russell Street School staff have read the policy and, as a minimum, Keeping Children Safe in Education Part One and Appendix A.
- To ensure all Russell Street School staff know the name of the the Designated Safeguarding Leads and are aware of their role and responsibilities.
- To support staff to understand and discharge their roles and responsibilities as detailed in Part One of Keeping Children Safe in Education, 2016.
- To ensure arrangements are in place to safeguard and promote the welfare of children and young people, particularly those who are most disadvantaged, and that a structured procedure is in place which all staff and volunteers follow when dealing with safeguarding concerns .
- To provide a safe environment in which children can learn and develop, where they feel secure, listened to and encouraged to talk.
- To ensure appropriate systems are in place for seeking and taking into account children's wishes and feelings when making decisions, taking action and deciding what services to provide to protect individual children.
- To establish and maintain an environment in which school staff and volunteers feel able to raise any concerns they may have in relation to child safety and well-being, confident in the knowledge that they will be listened to.
- To promote partnership working with parents and professionals.
- To ensure the school curriculum includes opportunities for children to develop the skills they need to recognise and stay safe from abuse.

- To ensure safer recruitment and safe workforce practices are in place and followed.
- To ensure robust procedures are in place for the recognition and referral of child protection or child welfare concerns.
- To take account of and inform policies related to the protection of children from specific forms of risk and abuse including: anti-bullying, the risk of radicalisation, child sexual exploitation and female genital mutilation (FGM).
- To recognise that additional barriers can exist when recognising abuse and neglect in children with special educational needs and disabilities.
- To provide systematic monitoring of and support for children and young people who are in care or subject to child protection plans, proactively contributing to the implementation of their plan.

4. STATUTORY FRAMEWORK AND LOCAL GUIDANCE

Child protection procedures

Procedures are in place for responding to situations in which a:

- child may have been abused or neglected or is at risk of abuse or neglect
- member of staff has behaved in a way that has, or may have harmed a child

or that indicates they would pose a risk of harm.

Russell Street School is compliant with multi-agency child protection procedures that have been agreed locally through Milton Keynes Safeguarding Children Board (MKSCB), which are based on the statutory guidance Working Together to Safeguard Children (DfE 2015).

The Designated Safeguarding Lead, staff and governors are aware of the guidance, its implications and the need to ensure that child protection issues are addressed using agreed procedures.

Russell Street School understands that it will continue to play a role after any referral and will use the links it has developed with partner agencies, particularly Children's Social Care, via the MASH (Multi Agency Safeguarding Hub).

Procedures are informed by both:

1. **MKSCB inter-agency procedures** which includes detailed chapters on:
<http://www.mkscb.org/policy-procedures/>
 - What to do if you have a concern
 - How to make a referral
 - Safer recruitment guidance
 - Managing allegations against staff (LADO guidance)
 - Additional guidance on more specialist safeguarding topics.

Quality assurance of safeguarding in school

The Headteacher completes an annual safeguarding audit, which is submitted electronically to the Milton Keynes Safeguarding Children Board (MKSCB) within the notified timeframe.

Audit outcomes are shared with the Governing Board and form the basis of the school's own Annual Report to Governors which details key actions to be taken as a result of the audit - actions to be included in the school's development planning.

Governing Board responsibilities

The Governing Body complies with their duties under legislation. They have regard to this guidance ensure that the policies, procedures and training in Russell Street School are effective and comply with the law at all times.

The Governing Body uses the additional information in Keeping Children Safe in Education, 2016 - Annex C. to support them in carrying out their duties.

In summary the Governing Body:

- Appoints an appropriate senior member of staff to act as the Designated Safeguarding Lead.
- Ensures, in conjunction with the Headteacher, that the Designated Safeguarding Lead fulfils the role and upholds the school's statutory responsibilities.
- Supports inter-agency working, which includes providing a coordinated offer of early help when additional needs of children are identified.

- Ensures that an effective child protection policy and procedures are in place and that the policy and structures supporting safeguarding children are reviewed annually, together with a staff code of conduct.

NB. Governors are not be given details relating to individual child protection cases or situations, in order to ensure confidentiality is not breached.

7. WHEN TO BE CONCERNED

Russell Street School operates a child-centred and coordinated approach to safeguarding:

Safeguarding and promoting the welfare of children is **everyone's responsibility**. In order to fulfil this responsibility effectively, all professionals make sure their approach is **child centred**. This means that they consider, at all times, what is in the best interests of the child.

Russell Street School is part of the wider safeguarding system for children. This system is based on the principle of providing help for families to stay together where it is safe for the children to do so, and looking at alternatives where it is not, whilst acting in the **best interests** of the child at all times.

Children who may require early help

All staff are aware of, and understand, their role in identifying emerging problems and sharing information with other professionals to support early identification and assessment of a child's needs. It is important for children to receive the right help, at the right time, to address risks and prevent issues escalating. Staff are active in monitoring and feeding back ongoing or escalating concerns to the Designated Safeguarding Lead, to ensure due consideration can be given to a referral if the child's situation does not appear to be improving.

Staff and volunteers working within the School are alert to the potential need for early help for children also who are more vulnerable. For example:

- Children with a disability and/or specific additional needs.
- Children with special educational needs.
- Children who are acting as a young carer.
- Children who are showing signs of engaging in anti-social or criminal behaviour.
- Children whose family circumstances present challenges, such as substance abuse, adult mental health or learning disability, domestic violence.
- Children who are showing early signs of abuse and/or neglect.

All staff are aware of the main categories of maltreatment: physical abuse, emotional abuse, sexual abuse and neglect. They are also aware of the indicators of maltreatment and specific safeguarding issues so that they can identify cases of children who may be in need of help or protection.

Children with special educational needs and disabilities

Additional barriers can exist when recognising abuse and neglect in this group of children. This can include:

- Assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's impairment without further exploration.
- Assumptions that children with SEN and disabilities can be disproportionately impacted by things like bullying, without outwardly showing any signs.
- Communication barriers and difficulties.
- A reluctance to challenge carers, (professionals may over empathise with carers because of the perceived stress of caring for a disabled child).
- Disabled children often rely on a wide network of carers to meet their basic needs, therefore the potential risk of exposure to abusive behaviour can be increased.
- A disabled child's understanding of abuse.
- Lack of choice/participation
- Isolation

8. SAFER RECRUITMENT

The Governing Board and school leadership team are responsible for ensuring that the school follows safe recruitment processes in accordance with government requirements and MKSCB procedures. These include:

- Ensuring the Headteacher, other staff responsible for recruitment and members of the Governing Board (as appropriate) complete safer recruitment training.
- Ensuring the upkeep of a Single Central Record of all staff and regular volunteers.

- Ensuring written recruitment and selection policies and procedures are in place.
- Adhering to statutory responsibilities to check staff who work with children.
- Ensuring all governors have enhanced DBS checks.
- Taking proportionate decisions on whether to ask for any checks beyond what is required.
- Ensuring that volunteers are appropriately supervised.
- Ensuring that at least one person on any appointment panel is safer recruitment trained.

Ensure the school, is compliant with guidance contained in Keeping Children Safe in Education, 2016 - Part 3 and in local procedures for managing safer recruitment processes, set out in Milton Keynes Safeguarding Children Board procedures - Chapter 2.

Safe Working Practice

Russell Street School has developed a clear Code of Practice that staff understand and have agreed to.

The Code of Practice offers guidance to staff on the way they should behave when working with children.

9. INFORMATION SHARING AND CONFIDENTIALITY

Safeguarding children raises issues of confidentiality that are understood by staff and volunteers.

National guidance can be found in: [Information sharing advice for safeguarding practitioners - Publications - GOV.UK](https://www.gov.uk/government/publications/safeguarding-practitioners-information-sharing-advice)
<https://www.gov.uk/government/publications/safeguarding-practitioners-information-sharing-advice>

Local procedures for information sharing and confidentiality, can be found in: [Milton Keynes Safeguarding Children Board procedures - Chapter 2.4](http://mkscb.procedures.org.uk/)
<http://mkscb.procedures.org.uk/>

In summary:

- All staff are aware that they must not promise to keep 'secrets' with children and that if children disclose abuse, this must be passed on to the Designated Safeguarding Lead as soon as possible and the child should be told who their disclosure will be shared with.
- Staff will be informed of relevant information in respect of individual cases regarding child protection on a 'need to know basis' only.

If a child has made a disclosure, the member of staff/volunteer should:

- Make a record of the date, time and place of the conversation, as soon as possible. Record the child's own words, along with any observations on what has been seen and any noticeable non-verbal behaviour. Use school documentation, where possible. Date and sign the record.

- Not destroy the original notes in case they are needed by a court.
- Record factual statements and observations rather than interpretations or assumptions.

Ensure the school's procedures are guided by national guidance and adhere to local procedures.

10. RECORD KEEPING

All concerns, discussions and decisions made and the reasons for those decisions should be recorded in writing.

- Child protection records are stored centrally and securely by the Designated Safeguarding Lead.
 - electronic records are 'protected' and are accessible only by nominated individuals
 - written records are stored in a locked cabinet.
- Child protection records are not kept with a child's academic record.
- Staff are aware that they must make a record of child protection concerns and that records must be signed and dated.

All records need to be given to the Designated Safeguarding Lead promptly. No copies should be retained by the member of staff or volunteer.

The Designated Safeguarding Lead will ensure that all safeguarding records are managed in accordance with the Education (Pupil Information) (England) Regulations 2005.

If a pupil who is/ or has been the subject of a child protection plan changes school, the Designated Safeguarding Lead will inform the social worker responsible for the case and transfer the appropriate records to the Designated Safeguarding Lead at the receiving school, in a secure manner, and separate from the child's academic file.

11. ALLEGATIONS AGAINST MEMBERS OF STAFF and VOLUNTEERS (LADO procedures)

Russell Street School policy and procedures recognise that it is possible for staff and volunteers to behave in a manner that causes harm to children and takes any allegation made against members of staff or volunteers seriously. Local arrangements for managing allegations are understood and followed. All staff know who to talk to if they are concerned about the behaviour of an adult.

Keeping Children Safe in Education, 2016 Part 4: Allegations of abuse made against teachers and other staff sets out the duties of employers and employees in handling allegations and also in caring for their employees. This section covers a range of relevant processes, incorporating **the role of the LADO**.

Russell Street School policy and procedures are guided by local procedures for managing allegations against staff, carers and volunteers, which are set out in the Milton Keynes Safeguarding Children Board procedures - Chapter 1.1.6: <http://mkscb.procedures.org.uk>

12. ALLEGATIONS AGAINST PUPILS AND PEER ON PEER ABUSE

Children and young people can be perpetrators of abuse. This can manifest itself in many ways and may include gender issues. It may include children and young people being sexually touched/assaulted or subjected to initiation-type violence. Peer-on-peer abuse may also involve sexting - the taking and sharing of self-generated sexual imagery.

Russell Street School policy and procedures reflect the school's approach to allegations against pupils, including sexting. Relevant policies include the behaviour policy, anti-bullying policy, child protection policy, online safety policy and sexual violence and sexual harassment guidance.

Where there is reasonable cause to suspect that a child is suffering or likely to suffer significant harm the Designated Safeguarding Lead is informed. Advice is sought from the Milton Keynes Multi Agency Safeguarding Hub (MASH) and a referral may be made. The police may also be informed.

The school takes action to ensure the safety and welfare of all pupils, including the victim, the accused and others who are directly or indirectly involved. Parents and carers are informed at the earliest opportunity.

13. THE USE OF SCHOOL PREMISES BY OTHER ORGANISATIONS

Where services or activities are provided separately by another body using the school premises, the Governing Board seek assurance that the organisation concerned has appropriate policies and procedures in place in regard to safeguarding children and child protection.

Russell Street School visitor policy and lettings policy are adhered to when decisions are made as to whether to grant access to visitors and other organisations.

14. SPECIFIC SAFEGUARDING ISSUES

Russell Street School is cognisant of and compliant with Specific Safeguarding Issues: paragraph 29 Keeping Children Safe in Education, 2016 and the policy and guidance to which this links. These specific safeguarding issues include:

- Preventing radicalisation
- Child sexual exploitation
- FGM
- Sexual violence and sexual harassment

Russell Street School is also familiar with and works in accordance with local multi-agency information and guidance as located on the Milton Keynes Safeguarding Children Board website.

15. POLICY REVIEW

The Governing Board is responsible for reviewing the child protection policy annually and ensuring that it is compliant with current legislation and good practice. Also for ensuring that the school maintains an up-to-date list of key contacts and that related policies and procedures are kept up-to-date.
