

2019/2020 Primary PE and Sports Premium

DFF Guidelines

Schools must use the funding to make additional and sustainable improvements in the quality of their physical education, physical activity and sport.

This means that schools should use the premium to:

Develop or add to the PE, physical activity and sport that the school provides

Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Schools should use the premium to secure improvements in the following 5 key indicators:

- 1. Engagement of all pupils in regular physical activity
- 2. Profile of PE and sport is raised across the school as a tool for whole-school improvement
- 3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
- 4. Broader experience of a range of sports and activities offered to all pupils
- 5. Increased participation in competitive sport

Total projected expenditure: £17,540 (Actual Spend £17,667.60)
