Submit work

**My downloads** You can submit up to three artworks of any type and there is no theme.

To enter, add images of your child's artwork plus some information about the piece –title, size, and a little text about the artwork and why your child made it.

The artwork will be seen by a panel of judges and the selected pieces will be shown in an online exhibition. Some of the artworks will also be shown at the Royal Academy of Arts.

### What kind of artworks are accepted?

The artwork can be made using any medium (a word for the materials you've used to create your piece). It can be a painting, sculpture, photograph, installation, video, drawing, or a combination. There is no theme so artworks

can be of any subject and it doesn't matter when you made the artwork as long as you are between 5-19 when you submit it.

### **How does the judging work?**

All of the artworks are viewed and judged by a panel of artists and art professionals. There are two sets of judges, one for artworks made by primary students and one for secondary. When the judges make their selections, they choose which artworks will be shown online and which will be shown at the Royal Academy. Everyone who submits artworks will hear from us by the end of May.

### **Prizes**

Prizes are awarded each year for two inspiring artworks from each key stage, as chosen by the President of the Royal Academy, and you can also vote for your favourite artwork in our annual People's Choice Award. Take a look at the [2020 prize winning artworks](#).
