Activity

Choose a character from one of the stories you have listened to or perhaps think of a character from another of your favourite books. We are going to show you how to make a costume, mask or headwear for your character using bits and pieces that you can find around your house. Click on the links below to see how your teachers have made their costumes, head-dresses or masks.

Make a list of the materials you think you will need and collect them before you start.

When you have finished take a photo of yourself in your outfit and remember to tell us which character you are when you email it over. If you have the book that your character comes from, you could hold that up too. Good luck!
