# Measuring in Centimeters and Line Plot

Directions: Create a line plot using the information from the Measurement in Centimeters activity. Mark an X for each crayon measurement and then answer the questions below.

Centimeters

How many six-centimeter crayons did you measure?

How many two-centimeter crayons did you measure?

How many ten-centimeter crayons did you measure?

How many three-centimeter crayons did you measure?

How many eight-centimeter crayons did you measure?

How many five-centimeter crayons did you measure?

Which centimeters had the most amount of crayons?

Which centimeters had the least amount of crayons?
